## **About the Centrale Bank van Aruba**

The main purpose of CBA is to contribute to the financial stability and economic well-being of the Aruban community. The CBA accomplishes this mission by implementing an effective monetary policy aimed towards maintaining the value of the florin, by promoting the soundness and integrity of the financial system, and by providing an efficient and reliable payments system.

Besides these core tasks, the CBA is also the sole issuer of florin banknotes and florin coins, and acts as banker to the Government of Aruba. In addition, it regulates the flow of international payments, manages the available foreign exchange reserves of Aruba, and supervises the spending thereof.
