Directive on the appointment of an external auditor

Directive on the appointment of an external auditor by virtue of article 98 of the State Ordinance on the Supervision of the Security Business (AB 2016 no. 53) (SOSSB) for security brokers, portfolio managers, collective investment schemes, and operators of a stock exchange licensed by the Central Bank of Aruba (the CBA).

1. Introduction
It is important that supervisors get the information they need to properly form an opinion on the financial strength of the operations of each security business companies. This information is obtained, amongst others, from the financial reports that are filed, supported by information obtained through communication with the external auditor. As such, supervisors have a clear interest in ensuring that external audits performed are acceptable and that an adequate relationship between them and the security business companies’ external auditors exists, essentially based on the principles formulated by the International Organization of Securities Commissions. In this respect, high standards of auditing are indispensable. As such, the audit performed should be carried out by external auditors who:

• are properly licensed and in good standing;
• have relevant professional experience and competence;
• are subject to a quality assurance program;
• are independent in fact and in appearance;
• are objective and impartial; and
• comply with all ethical requirements.

Pursuant to article 1 of the SOSSB, an external auditor is defined as: ‘a person who is not employed by the company or institution, being a “registeraccountant” or an “accountant-administratieconsulent” registered pursuant to article 36, paragraph 2, item i, of the Dutch Law on the accounting profession (Stb. 2012, 680).

2. Directive
Any appointment of, or change in external auditor, needs the CBA’s prior written approval. In order to assess the intended appointment or change, the institution concerned and the external auditor are required to complete the “Questionnaire External Auditor (Annex 1). Reference is also made to the Guidance notes associated with the Questionnaire External Auditor.

In case of a change of external auditor, the CBA should be informed on the reason(s) of the intended change.
The CBA will grant its approval if the external auditor complies with the requirements as stipulated in article 1 of the SOSSB and if there are no circumstances that, in the opinion of the CBA, would make the external auditor unfit for the assignment.

With regard to the independence in fact and appearance, there may not be any material financial interest, loans and guarantees, business relationships, and family and personal relationships between i) the security business company, its Managing Board or a member thereof, its Supervisory Board or a member thereof, its direct or indirect shareholder(s), and (ii) the external auditor, the audit firm of the external auditor or a member/partner thereof.

The CBA maintains at all times the right to revoke its approval if there are circumstances that in the opinion of the CBA justify such a revocation.

Furthermore, when the auditor is given the assignment to audit the annual statements, the security business company should authorize the auditor in writing to:

a. after consultation with the security business company that granted the assignment, provide the CBA forthwith with a copy of the auditor’s report to the Supervisory Board, of the management letter and of the correspondence that relates directly to the auditor’s report, in so far as these documents are considered to be necessary in reason for the proper fulfillment of the CBA’s supervisory tasks;
b. after consultation with the security business company, inform the CBA in writing forthwith of circumstances that could hinder the issue of an auditor’s report stating that the annual accounts give a true and fair view of the financial position of the security business company;
c. after consultation with the security business company that granted the assignment, inform the CBA in writing forthwith of circumstances which could endanger the continuity of the security business company, or from which it appears that there is a serious suspicion of an extensive fraud; and
d. furnish the CBA, if required, with additional information on the documents referred to under a. and on the circumstances referred to under b. and c.

Subject provisions should be included in the engagement letter. A copy of the draft engagement letter must be attached to the request.

Upon the Bank’s approval of the external auditor, the final and signed engagement letter must be submitted to the CBA.

This directive enters into force as of August 2019.
