COUNCIL DECISION (CFSP) 2022/266
of 23 February 2022
concerning restrictive measures in response to the recognition of the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine and the ordering of Russian armed forces into those areas

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) The European Union remains unwavering in its support for Ukraine’s sovereignty and territorial integrity.

(2) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union’s stance. The European Council also invited the Commission and the High Representative of the Union for Foreign Affairs and Security Policy (the ‘High Representative’) to present options for additional restrictive measures, including economic sanctions.

(3) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and its aggressive rhetoric. It reiterated its full support for Ukraine’s sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.

(4) On 24 January 2022, the Council approved conclusions in which it condemned Russia’s continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. Recalling the European Council Conclusions of 16 December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.

(5) On 21 February 2022, the President of the Russian Federation signed a decree recognising the independence and sovereignty of the self-proclaimed ‘Donetsk People’s Republic’ and the ‘Luhansk People’s Republic’, and ordered Russian armed forces to be deployed in those areas.

(6) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning the decision of the President of the Russian Federation to recognise the non-government-controlled areas of the Donetsk and Luhansk oblasts of Ukraine as independent entities and the ensuing decision to send Russian troops into those areas. That illegal act further undermines Ukraine’s sovereignty and independence and is a severe breach of international law and international agreements, including the United Nations Charter, the Helsinki Final Act, the Paris Charter and the Budapest Memorandum, as well as of the Minsk Agreements and of UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse the recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violations by Russia by adopting additional restrictive measures as a matter of urgency.
In these circumstances, the Council considers that the import into the European Union of goods originating in the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine should be prohibited, with the exception of goods having been granted a certificate of origin by the Government of Ukraine.

In addition, trade in goods and technology for use in certain sectors in the non-government controlled areas of the Donetsk and Luhansk Oblasts of Ukraine should be restricted. Services in the sectors of transport, telecommunications, energy or the prospecting, exploration and production of oil, gas and mineral resources, as well as services related to tourism activities in the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine should be prohibited.

Further Union action is needed in order to implement certain measures,
