## Category One

Into this category falls the **Democratic People's Republic of Korea (DPRK)**. The FATF reaffirms its call on its members and urges all jurisdictions to advise their financial institutions to give special attention to business relationships and transactions with DPRK, including DPRK<sup>1</sup> companies and financial institutions. FATF also urges and continues to urge jurisdictions to protect against correspondent relationships being used to bypass or evade counter-measures and risk mitigation practices, and to take into account ML/FT risks when considering requests by DPRK financial institutions to open branches and subsidiaries in their jurisdiction.

#### Category Two

Into this category falls Iran. The FATF calls on its members and urges all jurisdictions to continue to advise their financial institutions to apply enhanced due diligence to business relationships and transactions with natural and legal persons from Iran, consistent with FATF recommendation 19.
